

# ABOUT TOMMY LANHAM

Award winning speaker, entrepreneur, author, life coach and personality style strategist.

Growing up, Tommy believed he was a "just-get-by" student, at best. His college asked him not to return because of a .8 GPA. With God's grace (and the school's) he returned and graduated, but it took 6 years to get his undergraduate degree.

Years later, Tommy pursued a Master's Degree. This time, he finished the coursework for a 2-year program in just 12 months with a 4.0 GPA graduating with highest honors... all while he worked full time, changed jobs and moved his family across the state.

So, what changed? What took him from a "just-get-by" mindset to a high-level goal achiever? Tommy says "I changed the view I had of myself, set goals I was passionate about, took captive my self-talk and mastered priority management."

Tommy is a dynamic, award-winning speaker who has been training individuals and organizations to reach their God-given potential for 25 years.

With a unique blend of Ziglar motivation and ragamuffin faith, Tommy delivers powerful, life changing messages filled with humor, hope and enthusiasm. He will empower, entertain and energize audiences to achieve extraordinary results and live a life beyond what they ever dreamed possible.

Tommy is dedicated to helping you make your next event the best you'll ever experience. Your audience will laugh, learn and be inspired as he mixes enthusiasm and humor with motivational stories to deliver a high content message.
